POTENTATE

THE POTENTATE'S MESSAGE:

To the Nobility:

It is a marked pleasure for me to address you once more as your Potentate. I thank you for the honor you have conferred upon me for a second time.

I expect that Aleppo will continue its record of success and harmony. I hope that we shall better that record. With your help, undoubtedly, we can do so.

We must feel gratified when we realize, as we have been given an opportunity to realize, the full scope and depth of the results that Shrinedom, throughout this continent, has attained in its efforts towards making well and strong and happy thousands of crippled children. Aleppo's part in this wonderful work has not been small and we can hope that future responses will be even more generous.

There are many worthy men who merit, but who have not accepted, the privilege of wearing a Shrine Pin. We who have that privilege know its value — we appreciate its token and realize its responsibility. Lead these others into our Temple so that they, too, may join in our great work and enjoy with us our play.

It is you individually who must see that these men receive applications for membership in Aleppo Temple.

Your Officers and the Temple can accomplish best results only after you have done your part.

Yours in the Faith,

Potentate.

IN MEMORIAM

PASSED
WITHIN THE
UNSEEN TEMPLE
SINCE OUR LAST
MEETING

*"As Hiram slept, the widow's son,
So doth our Brother take his rest;
Life's battles fought, life's duties done;
His faults forgot, his work confessed;
So let him sleep that dreamless sleep,
Our sorrows clustering round his head,
Be comforted, ye loved who weep,
He lives with God. He is not dead."*
